

Agreement Regarding Confidentiality of Business Information

The United States Environmental Protection Agency ("EPA") and the potentially responsible party ("PRP") hereby agree that settlement of the Government's claim concerning the Kokomo Dump Superfund site will involve the production to the PRP of certain documents which have been submitted to EPA by various contractors listed in Annex 1 (hereinafter "submitters"). These documents contain certain information which may be entitled to confidential treatment under 40 CFR Part 2. Furthermore, the parties herein agree that the limitation on the disclosure of the documents subject to this Agreement is necessary in order to protect the interests of the submitters in the confidentiality of their business information.

The terms of the Agreement Regarding Confidentiality of Business Information (hereinafter "Agreement") are as follows:

1. EPA shall provide the document(s) containing information which may be entitled to confidential treatment to the PRP and such document(s) shall be handled in accordance with the terms of this Agreement.
2. As used in this Agreement, the term "confidential information" means trade secrets or commercial or financial information submitted by a person to EPA and which may be entitled to confidential treatment under 40 CFR Part 2. This information has not been determined by EPA under 40 CFR Part 2, Subpart B not to be entitled to confidential treatment.
3. Any information to be produced by EPA pursuant to this Agreement shall be stamped conspicuously with the word "CONFIDENTIAL" by EPA on the top of each page of

each document prior to production to the PRP. The transmittal of information designated as confidential shall be done by letter from EPA stating that the information designated as confidential is subject to this Agreement.

4. Information designated as confidential under this Agreement shall not be used or disclosed by the PRP or any other person subject to Paragraph 7 below for any purpose other than the preparation for negotiation of a settlement.

5. The PRP and PRP's counsel who obtain information designated as confidential hereunder, and any nonparty subject to this Agreement, shall not disclose or permit disclosure of this information to any other person, including without limitation any officer, director, employee, agent, or representative of the PRP, the PRP's counsel, or any nonparty, except in the following circumstances:

a. Disclosure may be made to employees of the PRP or the PRP's counsel who have responsibility for settlement negotiations involving the Kokomo Dump Superfund site. Any employee to whom disclosure is made shall be advised of, and become subject to, the provisions of this Agreement prior to such disclosure by executing the Confidentiality Agreement (Annex 2) annexed hereto. Employees do not include persons, firms or corporations engaged by the PRP or the PRP's counsel on a contract basis, who shall be subject to the requirements of subparagraph(b) of this paragraph.

b. Disclosure may be made to consultants, witnesses, experts, or employees of experts ("Expert(s)") employed or otherwise engaged by the PRP or PRP's counsel to assist in the preparation for negotiations. Prior to disclosure to any Expert, the Expert must agree to be bound by the terms of this Agreement by executing the Confidentiality

Agreement annexed hereto. A copy of each executed Confidentiality Agreement shall be furnished to EPA and the submitter(s) not less than five (5) business days prior to disclosure to the Expert of the business information.

6. The PRP, PRP's counsel, and any other person subject to this Agreement who obtains information designated as confidential hereunder, shall take all necessary and appropriate measures to maintain the confidential nature of the information, shall share such information only with persons authorized to receive it pursuant to this Agreement, and shall retain the information in a secure manner. Except as provided in Paragraph 5 above, no other person shall be permitted access to the information.

7. Any person who obtains access to information designated as confidential under this Agreement may make copies, duplicates, extracts, summaries, or descriptions of the information or any portion thereof *only* for the purpose of preparation for settlement negotiations for cost recovery at the Kokomo Dump Superfund site. All copies, duplicates, extracts, etc. shall be subject to the terms of this Agreement to the same extent and manner as original documents.

8. Any unauthorized disclosure of information designated as confidential under this Agreement shall not result in a waiver of any submitter's claim of confidentiality.

9. Within 60 days after termination of the negotiations, or as determined by EPA, any person who obtained information designated as confidential under this Agreement shall assemble and return such information to EPA, including all copies, extracts, summaries, or descriptions of the information or portions thereof. Such return shall be certified in writing by the person who obtained the information from EPA. All such information covered by this

Agreement which constitutes the work product of counsel for the PRP shall be destroyed.

However, if before the expiration of the 60 days the United States has filed in Federal court a cost recovery action for the Kokomo Dump Superfund site, naming the PRP as a party, the PRP may retain the information. Such retention shall be governed by the provisions of this Agreement until entry of a protective order governing the information.
